

# Gerry Hatrick

is  
a self contained  
Singer / Guitarist

Sets can be laid back acoustic  
guitar-led songs from the 50's  
to the present day  
from finger picked folk to  
strummed arrangements  
of pop songs

For vocal harmony & instrumental  
duo bookings Gerry is joined by his  
wife Claire playing bass guitar  
or double bass

Gerry also accepts duo acoustic guitar  
bookings which feature the far too  
talented Steve 'Bing' Mitchell

Add back the bass and you've got  
yourself a trio booking....

...if you need a four-piece for a  
noisier night he'll bring his  
drummer along

Their sound system is comprised  
of a Bose L1 mini line array  
which gives superb sound  
quality throughout the venue.  
For band bookings the sound is  
reinforced with a  
Trace Elliot P.A.
